MEMORANDUM FOR : Assistant Director, Special Activities, OSA  
SUBJECT : HRS-5 and HRS-8 Beacon Test Program

1. The attached memorandum requests your concurrence.

25X1 2. [ ] has participated in the test program of both the HRS-5 (UHF DZ location beacon) and the HRS-8 (MF emergency location beacon) from the beginning. He is satisfied with the performance of both units from the air support standpoint. The Beacon Panel of the Technical Requirements Board is aware that the only KUBARK air assets that can home on a UHF signal are our C-54's and C-118's. C-130's also have this capability.

3. Recommend your concurrence with the attached memorandum.
